PALMER JUST MISSES THE LONG JUMP MEET RECORD

Northampton - Jan. 26, 2014
 Former Mohawk High star Brandon Palmer of Northampton just missed breaking the men's long jump record at the second and final SMAC Indoor Track meet of the 2014 season. Palmer's winning effort, which was 22' 6", came up just three inches shy of the meet record of 22' 9" set by Jon Pronovost of Chicopee in 2002. Palmer also won the men's high jump with a clearance of 6' 4", which moved him up to the No. 7 performer of all-time in that event.

On the track, Mark Doyley of Hartford, Conn. also just missed a meet record in the men's 200 meters as his winning time of 22.76 was just off the meet record of 22.66 set by Alix Durand in 2013. Doyley won the men's 55 meters as well in a fast time of 6.65.

The men's mile saw a stirring battle between Mohammed Hussein of the Northfield Mt. Hermon School and Scott Vandermolen of the Western Mass. Distance Project. Hussein led for most of the race but then Vandermolen surged to the front with 400 meters to go and held off the hard charge of Hussein to win in 4:28.49.

The final meet here of 2014 had the second largest crowd ever in the 27-year history of these meets.
