

## **Race for Free\*\* 2018**

*One Lucky 2018 Series Entrant will be drawn at random.*

### *How?*

Entry (either by mail or through RunReg) in the 2018 SMAC Series automatically enters you in the raffle up until Passover Saturday, March 31<sup>st</sup> at 11:59PM (you can still join the SMAC Series after this deadline but won't be entered in the raffle).

### *When and Where is the drawing?*

Easter/ April Fools Day Sunday, April 1<sup>st</sup> at 6PM Series members will meet up to discuss the approaching season over food (on your own) at Applebees, Hadley. After food and deliberation the winner will be drawn using a bingo ball tumbler.

*Then what?*

The winner will be reimbursed by check for completed 2018 Series races at the SMAC Series end-of-season party in November. The dollar amount reimbursed will be the sum of those completed races at their early bird/pre-reg fee rate (ie not day-of reg rate and not including any other costs like online reg charges).

*Small print*

\*\* There are two important modifications to the 2018 SMAC Series Raffle from year's past: The first is you must be present at the drawing to be the winner this year. The second is that the dollar amount of reimbursement will not exceed \$200.00; that is, any entry costs above \$200 belong to the raffle winner.

*Questions?*
